Hartman Finds Old Traces Among New

Traces of the old were evident among the new this week at Hartman's Pharmacy, 29 N. Baldwin.

While in the process of remodeling his store, Rudy Hartman came across some ancient remedies dating back to around the first of the century.

Included among the patent medicines tucked away in a drawer for many years were Juniper Berries, White Hellebarr, and Virginia Snake Root. The latter remedy was an old-fashioned bitter tonic.

Mr. Hartman also uncovered an old Coleman's Durham Mustard tin container which was imported from England by Sierra Madraan E. Waldo Ward, Sr., father of Edwin W. Ward of the City School Board. He estimates that the container has been at his store for "at least 40 years."

Everything about the drug store will be new when the remodeling is completed, Mr. Hartman said Tuesday. Improvements will include new flooring, an entire new prescription laboratory, and fluorescent lighting.

Chief Says: Stop For School Busses

Cars approaching a school bus stopped to load or unload children must stop, Chief of Police Gordon G. McMillan reminded motorists last week.

Cars must stop regardless of which side of the street they may be on in relation to the bus, Chief McMillan emphasized.

After stopping, motorists may proceed past the school bus at "a reasonable rate" of speed, not to exceed 10 miles per hour, he said.

"Most streets in Sierra Madre are not very wide," Mr. McMillan pointed out, "So it is doubly important to stop on meeting or overtaking school busses here."

Mitchell Choirboys to Appear Here Sunday

A large crowd is expected Sunday, Nov. 12, when the famous Robert Mitchell Choirboys present a concert at Mount Alverno, 675 W. Highland.

The concert and tea, sponsored by the St. Rita's Altar Society and Mothers' Club, will begin at 2:30 p. m.

The Mitchell Choirboys, made up of boys 12 to 16 years of age, are expected to sing religious music, popular tunes, swing folk ballads, and portions of operettas.

Considered one of the nation's leading church choirs, the Choirboys have appeared on dozens of major radio programs, on television, and on the concert stage. In addition, the group has been featured in 50 motion pictures.

Along with their regular appearances on the Scout Jamboree program on KFI, the choir members are all Boy Scouts. In fact, they have their own Scout troop.

Among the films in which they have taken part are "Going My Way," "The Jolson Story," "Yankee Doodle Dandy," "The Bishop's Wife," and "The

Babe Ruth Story."

Director Robert Mitchell, former Sierra Madrean, holds regular auditions and selects boys with some natural talent whose voices will blend well. There are no religious or racial restrictions, and previous training is not necessary.

Tickets for the performance Sunday may be purchased at the door or from any member of the two sponsoring organizations.

Proceeds from the program will go toward replacing St. Rita's church altar vessels.

Family Expert To Address Field P-TA

Joseph B. Henry of the American Institute of Family Relations will address the Eugene Field School Parent-Teacher Association when it meets next Wednesday, Nov. 15, 8 p. m. in the school cafeteria.

Mr. Henry, assistant director in charge of educational functions, will speak on the "American Family Life." A question and answer period will follow Mr. Henry's talk.

Mrs. Edwin F. Franke, P-TA president, will conduct the meeting, and Mrs. Arthur R. Brearley will be in charge of the program.

SARA POINTS THE WAY—"Don't Delay, X-Ray Today!" exclaims radio and screen star Sara Berner as she leaves the mobile chest x-ray unit near her home. Miss Berner, featured performer on the Jack Benny and Jimmy Durante shows, joins well over a million residents of Los Angeles County who have already taken advantage of the chance to get a chest x-ray without charge. The x-ray survey comes to Sierra Madre next Tuesday, Nov. 14, and will be in town through Saturday, Nov. 18.

City Hall Floors To Get Refinish

Hardwood floors of the City Hall are in for "face lifting," the City Council decided last week.

On motion of Councilman Herman Barter, the Council requested City Engineer Harry H. Shatto to "see what needs to be done" and get estimates for refinishing the floors.

The Chamber of Commerce's office, opposite the Police Station, was included in the floor-repair order.

Scholarship Society Signs Local Students

Nine Sierra Madre John Muir College students were initiated into Alpha Gamma Sigma and California Scholarship Federation, honorary scholarship societies, at the annual fall banquet held recently at the Ranch House.

Sierra Madreans honored were Julie Zenzelman, Dixie Martin, Joyce Thompson, Robert LeRoy Wildey, Margaret Hobson, Beverly Stundin, Margaret Woodworth, David Knoch, and Ronald McMillan. These, along with 232 other Muir students, have maintained a B average or better in their school records so far.

"So You're a Brain," was the subject of a banquet talk by Miss Katherine D. Loly, Pasadena City College language instructor.

Coordinating Council Hears Reports on Youth Conference

The accent was on youth Monday night when the Sierra Madre Coordinating Council held its monthly meeting.

Reports were heard on the recent Sacramento Conference on Children and Youth, recommendations from which will be passed on at the White House Conference on Children and Youth later this month.

Miss Joyce Thompson, who represented the Pasadena Y. Teens at the conference, said delegates agreed that the home is the cause of youth problems but, at the same time, the home is the solution to youth problems.

"Young people must be able to receive instruction and guidance in their homes," the Sierra Madre coed said.

Mrs. Charles Gerry, president of the Arcadia Community Council, said the feeling at the conference was that much more should be spent in California toward preventing family disorders and resulting youth problems. The emphasis today, she felt, is too much on the corrective aspects—after the mistakes have been made.

E. Burton Powell, county probation officer, reported that the "two major lacks" in California, as brought out in the conference, are groups to cure behavior disorders and groups to strengthen family ties.

Moderator for the panel was Milton Goldberg, youth chairman of the Coordinating Council, who attended the Sacramento conference and who will be one of 75 California delegates at the White House Conference.

This figure includes approximately 137 attending junior high school in Pasadena. The local district pays the tuition costs of these students.

"The increase in average daily attendance of 59 pupils has taxed the present school plant to capacity," Mr. Skutt said. "All rooms have been utilized except for a small library."

Per pupil costs in the Sierra Madre District are increasing, but are still below the average for schools in the county. Mr. Skutt estimated that per pupil costs this year may reach \$200, as compared with last year's \$192.84.

The number of lunches served at the school cafeteria has more than doubled during the year, it was pointed out. This was due largely to the change from a 35-cent to a 25-cent lunch. The school plans to continue utilizing a 5-cent federal subsidy for cafeteria lunches.

Commenting on curriculum at City School, Mr. Skutt said emphasis this year has been placed on the basic subjects—reading, writing, language, spelling, arithmetic, geography, and history.

"Well over the required 50

tion and this year will again devote much time and effort to the project.

The Chamber also passed unanimously a resolution urging all Sierra Madreans to take advantage of the free County X-ray service program which comes to Sierra Madre Nov. 14 to 18.

It was pointed out that through the X-ray program for adults, control of tuberculosis can be maintained for all age groups including children.

per cent of each school week has been devoted to the study of these fundamental subjects," he stated.

Transportation to and from school is becoming somewhat of a problem, the superintendent said.

"We are now faced with the choice of curtailing bus service or purchasing another bus."

Approximately 50 out of the 600 elementary school pupils have reading difficulties and are now receiving special help from the reading teacher, Ralph Pinney.

Kiwanis, Lions and other local service clubs were praised by Mr. Skutt for helping to purchase the school audiometer for testing hearing. "It has proved invaluable," he said.

Special music was provided at the meeting Tuesday by six City School pupils, under the direction of Music Teacher Mrs. Matilda Smith.

Soloists were Diane Weston, Philip Jacobs, and Brenda Johnston. Jacobs, Edwin Ower, and Wayne Sansett also presented a clarinet and trumpet trio number.

Blood Bank Collects 150 Pints Here

One hundred-fifty pints of blood were given by Sierra Madreans last Wednesday, Nov. 1, when the Red Cross Blood Bank visited town.

Mrs. Rudolph Wood, local blood chairman, said the response by residents was "good, but should have been better."

While thanking the citizens who gave blood, Mrs. Wood said "in view of the Korea situation, we had hoped for at least 200 pints from Sierra Madre."

She said 169 persons presented themselves at the Woman's Club, but 19 were rejected as blood donors for various reasons.

In addition, many residents failed to keep their appointments. These were offset, however, by approximately 30 persons who donated without having made appointments.

When the Blood Bank came to town last May, 176 pints of blood were donated.

Instant choice of any heat ...GAS HAS GOT IT!

IF YOU want to save time, you'll welcome the speed of modern gas cookery. Take top burners, for example. When you turn on the top burner of an automatic gas range, you have instant heat. Any of a thousand or more heats, too, from full flame for fast boiling to mere pin-points of flame for keeping foods warm. This visible flame heat eliminates guesswork. You can always see exactly how much heat you have...

can immediately obtain the right temperature for every food. And when you turn gas down there's no lingering heat to cause boil-overs or scorching.

The best way to enjoy the many exclusive advantages of gas is in a new automatic gas range. See the new models at dealers' or your Gas Company. Look for the one that fits your family needs. You'll find that it costs less to buy, less to operate.

Among the many makes of gas ranges on display is this beautiful new

...a CP model. Others you'll see include Caloric, Gaffers & Sattler, Grand, Hardwick, Magic Chef, Maytag, Occidental, O'Keefe & Merritt, Roper, Tappan, Western-Holly.

OAKS PITCHES 4 - HITTER TO STOP CRESCENTA CLUB

Pitcher Mutt Oaks held the Crescenta 20-30 Club to four hits Sunday afternoon to lead the Sierra Madre VFW Raiders to their fourth consecutive Foothill League victory.

The Raiders humbled the Crescenta team, 8 to 1, to make it 11 straight wins. Their season record is 19 wins, 6 losses, and 1 tie.

Howie Nielson, catcher, again led the Raiders in batting, collecting two doubles in his three times at bat. In the last two games, Nielson has hit safely 6 out of 8 times and has batted in 7 runs. In 26 games, his batting average is .524, considerably higher than the next Raider in batting strength, Mayo Dixon, who has a .491 "stick" average.

All the Raiders have been hitting consistently, however, with every man—excepting pitchers—boasting averages over .300.

In Sunday's game, usually reliable Dixon hit the skids and committed four of the Raiders' five errors. He is an outfielder, however, and Sunday he had been switched to third base.

The local semi-pros got nine hits off two Crescenta pitchers, with Evans and Shepherd also collecting two-base hits.

Manager Larry Shepherd says next week's game is with the Burbank Pilots, reported to be the toughest of the traveling teams. The game Sunday be-

gins at 1:30 p. m. at the city ball park.

DOWN THE LANES

Pat Faller of Sierra Madre teamed up with Ed. Myatt and entered the Arcadia Mixed Doubles Bowling Sweepstakes. Pat topped the pins for a 402 series, coupled with her partner's 497 series plus their handicap, gave them a nice 1061 for total.

Sierra Madre Merchants took it on the chin Thursday night and lost 3 to the Regal Pale Beer team. They were too late with too little.

AROUND THE BASES

In trying to pick up a few base hits around the local ball park I find to my surprise there are more ballplayers in the park than spectators. Attendance is a big factor in getting the better ball clubs to come to our city to play. So let's try to give our local club better support. Play ball with the ballplayers on Sunday afternoons.

QUICKIES

Joe Murphy, a golfer in the making, received a trophy Sunday, consisting of a burnt out, battered and used, ash tray for his ability to retrieve lost golf balls. Taking off his shoes he waded into the duck pond and came up with 10 water soaked golf balls. (Warning to all ducks, hide your eggs, here comes Joe.)

Fire That Fights Fire

PORT ARTHUR, TEX.—A fitting symbol of fire prevention, this 200 ft. refinery flare burns up fire hazards before they start. Far from wasting gas—as often wrongly supposed—it actually is a safety valve. During emergencies it consumes excess gases before they can build up into explosive concentrations; stands 24-hour guard to burn off possibly dangerous fumes. This unusual view of night light at the Gulf Oil refinery here was taken in a 10-second exposure at F11 with fast panchromatic film.

EASTERN BUSINESS

Remington Stone, 321 E. Grandview, flew to Elizabeth, N. J., Monday night on business for the Hubbard Dianetic Research Foundation. Mr. Stone expects to be gone for several weeks.
